● PROFILE

Digital marketer and automation specialist helping businesses build a stronger digital presence through strategy, content, modern websites, and smart automation. Since 2022, building GoHighLevel funnels, CRM workflows, websites, email campaigns, and social content for healthcare, real estate, short-term rental, and professional service brands.

● WHAT I DO

01 Strategy

Content strategy, campaign planning, SEO keyword research

02 Creative & Design

Graphic design, email templates, web and landing page design, video editing

03 Growth & Media

Social media marketing, email marketing, SEO content, analytics reporting

04 Systems & Automation

CRM setup, funnels, workflows, appointment booking, lead capture and scoring

● EDUCATION

2018 – 2022

Caraga State University

Bachelor of Science in Biology

● EXPERIENCE

Where I have *made an impact.*

● Digital Marketing Virtual Assistant

2024 – 2025

Hospital In Your Home

- Developed and scheduled engaging content across social media platforms.
- Monitored campaign performance and delivered weekly analytics reports.
- Created email campaigns and promotional materials, and supported outreach and branding initiatives.
- Tracked digital trends and recommended strategies for growth.

● Virtual Assistant

2024 – 2025

Care Home Mastery

- **Graphic design:** designed webinar presentation slides and course materials.
- **Email templates:** built on-brand templates pairing persuasive copy with strong visuals to drive action.
- **Marketing automation:** implemented personalized, segmented email sequences in ClickFunnels and Mailchimp to nurture leads, promote events, and deliver content.

● GoHighLevel Specialist

JUN 2024

Airvato

- Set up automated workflows, email sequences, and SMS campaigns to handle guest communication, bookings, and inquiries.
- Tailored GoHighLevel to a short-term rental business with custom landing pages, website, forms, surveys, and automations that improved conversion and guest satisfaction.

● GoHighLevel Specialist

2023 – MAY 2024

10X Advantage

- **Sales automation:** built workflows for email follow-ups, appointment scheduling, and customer onboarding.
- **Lead generation:** set up lead capture forms, managed contacts, and scored leads for the sales team.
- **Campaigns and funnels:** built landing pages, email sequences, SMS campaigns, and funnels for lead generation, nurturing, and conversion.
- **Membership and course creation** inside GoHighLevel.
